

THE HOOVER

All American Dream Homes, Inc. is a full service builder, licensed in both Wisconsin and Michigan. With our own on-site general contracting department, we can take you from start to finish on projects ranging from complete turn-key packages that can be completed within 90 days, to custom designed dream homes built to your own specifications.

All American Dream Homes, Inc. takes care of every imaginable detail, including locating land, excavating, poured foundations, septic systems, wells, electrical wiring, framing and brickwork, and final finishing. Above all, we pride ourselves on providing service second to NONE... before, during and after each project is completed. Let All American Dream Homes show you how you can turn the home of your dreams into a reality!
